GENERAL TERMS AND CONDITIONS OF CONTRACTING

1. TERMS AND CONDITIONS OF CONTRACTING

A signed application form and the General Terms and Conditions comprise a contract concluded between the Exhibitor (hereinafter: the Exhibitor) and the Novi Sad Fair (hereinafter: the Fair).

If the application is canceled, exclusively in writing (official letter) from 50 to 36 days before the opening of the Fair, the exhibitor is obliged to pay the Fair 20% of the amount of the last advance within 8 days from the delivery of the cancellation, in the name of the obligations arising from the contract relationships, executed reservations of the exhibition space (project design, location, PTT costs, etc.).

The filed application is irrevocable and obligatory for the exhibitor if it is not canceled exclusively in writing (by official letter) 35 days before the opening of the Fair. In the event that the exhibitor cancels an appearance within a period shorter than 35 days before the opening of the Fair, it is obliged to pay the entire amount of the last budget for the outstanding debt for the reservation of the exhibition space and other services under this contract, whether it is exhibited in the registered area or not, and the Fair reserves the right to allocate the given space to another exhibitor or space that the exhibitor does not use according to the concept of the event at the expense of the exhibitor.

Upon completion of the event, the exhibitor will be sent a final invoice for the services that have been used. The exhibitor is obligated to pay the remaining debt according to the final invoice within the specified period.

The Fair reserves the right to:

- approve or reject the application
- determine the location and size of the exhibition space
- modify the already assigned location
- cancel the accepted application 15 days before the opening of the event
- registered exhibitors by commodity groups.

The minimum size of the exhibition space that can be leased is 12 m² of the indoor space and 25 m² of the outdoor space. The Fair reserves the right to increase or decrease the exhibitor's space depending on possibilities for determining location. The Fair will notify in writing the exhibitor of the location of the allocated exhibition space and will submit the Space Plan. Should an exhibitor take up the space larger than originally allocated by the Novi Sad Fair, the additional area shall be calculated and included in the final invoice.

Without the approval of the Fair, the exhibitor may not transfer the right to use the leased space to another user.

A single booth may not be used by more than one exhibitor, unless the present business entities have been registered with the Fair as co-exhibitors alongside the lead exhibitor. If the exhibitor and organiser of a collective exhibition does not register co-exhibitors or indirect exhibitors, or fails to provide complete information in his registration, Fair is entitled to subsequently charge the exhibitor for costs of co-exhibitor and indirect exhibitor registration fees.

All complaints for the exhibition space and technical services may be submitted only for the time of the event in writing (official letter).

It is forbidden to take exhibits and disassemble the stand before the official closing of the fair event.

The exhibitor is obliged to ensure the presence of representatives and exhibit items at the stand until the official closing of the fair exhibition.

In the event that the Hall Inspector notes on the record the non-compliance with the provision from the previous paragraph, the exhibitor is obliged to pay a contractual fine in the amount of 500 EUR with VAT.

Packaging can begin after the official end of the fair event (after closing the entrance of the Fair for visitors).

The exhibitor may take out the goods only with a permit issued at the Exhibition Service of the Fair, after all the debts to the Fair have been settled.

The exhibitor is required to upload their property from the area of the Fair within seven (7) days after the end of the event. After this period, the Fair has the right to charge the cost storage of the applicant's assets in its space for the price by the current price list of the Fair Services. If the exhibitor at the expiration of the period of 15 days from the date of completion of the event does not upload their property, it becomes the property of the Novi Sad Fair.

2. PAYMENT TERMS AND CONDITIONS

On the basis of signed application, the Fair will deliver a pro-forma invoice, based on which is required that the exhibitor settle the payment in advance of 30% of the total amount of the invoice within 5 days of the date of invoice, and the remaining 70% no later than 35 days before the event. Additional services ordered by the exhibitor according to the offer will be invoiced in accordance with the request.
